

Brian Pashen

**Partner/Director — B.Com. (UQ)
Dip.Adv.Acc, CA, CTA**

Brian has been a Partner/Director with Charts Partners since 1 July 1990.

Brian commenced his career with the Australian Taxation Office. He progressed through a number of positions gaining experience in tax audits and appeals and also conducted in-house training courses on taxation, company law and the use of off-shore tax havens. Brian also lectured part time in taxation law at the Mt Gravatt T.A.F.E for a period of 10 years.

After sixteen years with the Taxation Office, Brian decided to utilise his talents and experience for the benefits of taxpayers. Brian had several years' experience with a big four firm before joining Charts Partners where he is now a Director.

Brian has had considerable involvement in superannuation, tax audits, capital gains, GST and fringe benefits tax. He has undertaken assignments on the capital gains tax implications of mergers and acquisitions, transfers of assets and business structuring. Since joining Charts Partners, Brian has continued involvement in all aspects of tax planning and has widened his experience to include financial management, Government grants, Research and Development incentives and capital raising.

Brian's interests include watching rugby union (he played "A" grade in the Brisbane competition). Brian is also on the Board of Directors of [JHI](#).
