

“Don has 36 years experience working in the accounting industry. After graduating he worked at Wylie, McDonald & Sneyd. He then started Gibson & Associates Limited in 1985 to assist small to medium businesses and high net worth individuals with asset protection, taxation and business advice. Then in 2016 he started DM Gibson Accountants Limited.

He has experience with giving advice on tax, asset protection, business structure, GST, Trusts and buying and selling a business.

Don attended Massey High School, then completed his Bachelor of Commerce in Accounting and Economics at The University of Auckland.”
